REVIEW OF USER MANUAL FOR ZTE U X85

- I bought this book off Audible.com and have been listening to it on my daily 1 1/2 hour commute. There are many days that I pull into the parking lot at work or my garage at home and just can't turn off the recording. Man, it's a page turner! 47 hours of listening and I'm going to be sad when I get to the end. (I've got about 6 hours of listening left.)Eduard Dantes started his life as an innocent and trusting man. He's thrown into prison where he undergoes a transformation. After 14 years he escapes, finds great wealth and goes after those who wronged him. For the next 10 years he turns life into a chess game in order to win the ultimate award, to witness the ruin of his enemies.This is by far the best audio book I've listened to so far!
- This novel artfully provides the best elements of any story: Revenge, adventure, love, action...it's all there. A little slow to start but worth giving a try if you love an epic read.
