## **REVIEW OF PROPHECY DARK MOON RISING**

- A friend recommended this to me a few years ago and I'm so glad I read it. Gilliam's stories reassured me that I'm not the first woman to look for love and not find it. I really resonated with her awkward accounts of

being the only single girl at a party, realizing someone is setting you up, etc. And I loved her chapters on evolving relationships with family and friends. What I love most about this book is that it isn't a guide. It doesn't try to ignore the idea of marriage, nor offer tips for finding Mr. Right. The reality is that not everyone gets married, though they want to. Although Gilliam expresses her desire to get married, she is able to honestly talk about her emotions and fears

and poke fun at herself.

- This book is the greatest. I've always wanted to do pre-foreclosures, I read so many other books, but it wasn't as friendly as Tom's book. I bought Tom's book, and immediatly I got to work, it directed me to the foreclosure listings, I pulled it, and the next day, I began sending out the letters as he suggested. If you are serious about this business, this would be the book to purchase. Haynes InvestmentAtlanta
