### REVIEW OF THE KINGS WITCH

- I have been enjoying the adventures as they continue. Currently on book three. It seems obvious to me and other reviewers that the author now and then uses names/themes from the Tolkien series with a slight twist to the spelling but the meaning is clear.
- This was bought as a gift. The person I bought it for loves it! He actually takes time out of his day for reading! He sometimes tells me the stories in the book! Great!
