## REVIEW OF LUKA AND THE FIRE OF LIFE SALMAN RUSHDIE

- I had resigned myself to being forever frustrated with the teaching & preaching in my Catholic church. I wanted more 'meat' that I could take as a challenge to my prayer life and social justice mission. Michael has given me challenge, rooted in today's cosmology and scripture. I am grateful!

- David Joyce's book on topiary is well-designed to interest the beginning topiarist, along with those who are more experienced. I've had this book for several years now and I learn something from it every time I refer to it. I recently used it to try (hack?) my first topiary -- a boxwood bird. Joyce offers dimensions (such as plant size, and height at which to begin cutting), which I imagine would be helpful to those who appreciate precise directions. There are also large and detailed images of different types of topiary, along with sections on espalier and the like. This is a valuable reference in my garden library.
