REVIEW OF HOWARD ANTON CALCULUS 9 EDITION SOLUTIONS

- Camus dropped the bomb on me with this piece. With a crisp clean prose my beloved Camus showed me what it is to feel the void, the absurdity, and triumph over it. So for those tormented souls out there, this book's for you.
- Philip, I really appreciated your review. It made me laugh really loudly, and several times. Especially the bit about how four stars lined up look ok. I haven't read the book either. I just gave it three stars cause i like the number 3.
