For fans of *The War That Saved My Life* and other World War II fiction, *A Place to Hang the Moon* is the tale of three orphaned siblings who are evacuated from London to live in the countryside with the secret hope of finding a permanent family. It is 1940 and William, 12, Edmund, 11, and Anna, 9, aren't terribly upset by the death of the not-so-grandmotherly grandmother who has taken care of them since their parents died. But the children do need a guardian, and in the dark days of World War II London, those are

in short supply, especially if they hope to stay together. Could the mass wartime evacuation of children from London to the countryside be the answer? It's a preposterous plan, but off they go-- keeping their predicament a secret, and hoping to be placed in a temporary home that ends up lasting forever. Moving from one billet to another, the children suffer the cruel trickery of foster brothers, the cold realities of outdoor toilets and the hollowness of empty stomachs. They find comfort in the village lending library, whose kind librarian, Nora Müller, seems an excellent choice of billet, except that her German husband's whereabouts are currently unknown, and some of the villagers consider her unsuitable. *A Place to Hang the Moon* is a story about the dire importance of family: the one you're given, and the one you choose. REVIEW OF THE RUNNER TILLERMAN CYCLE 4 CYNTHIA VOIGT

- I like the book "Great Expectations." I really like this book and many lessons can be learned from it. Pip handles most of his

situations pretty well except for at the end. From the first time he saw Estella he knew she was his love and he never gave up. I thought it was neat how the convict helped Pip after Pip had helped him. I also thought it was cool that all through the book you think Pip's benefactor is the old lady, but at the end you figure out it is the convict. I don't really like the fact that Pip's aunt beat him. I also thought it was pretty low of Estella to treat Pip how she did, and yet he would do anything for her. It was kind of depressing at the end because you know Pip won't get Estella. I also thought it was mean of Pip to just desert Joe after all he had done for him. When the convict gets caught at the end it is kinda sad because you just don't think he should. Anyone would like this book if they were into realistic fiction.

- This book was on my reading list for 9th grade, and it was my first Dickens novel ever. It took me about 3 days to read, and it was kind of a fluctuating thing. Some parts of it I couldn't put down, while other parts I dragged myself through. On the whole, I thought it was a good book, but not one I would read over again for a while. Dickens' use of figurative language is exquisite, but sometimes I found it hard to understand at first. The way almost every character described is tied some way into the tale is fantastic. You always have to pay attention, for you never know when that character might turn up again. This is such a tragic story already that I wish it would have ended a little better. I know it broke my heart. All in all, I would only recommend this book to someone who is in the mood for a complex tragedy.
