Gospel Principles was written both as a personal study guide and as a teacher's manual. As you study it, seeking the Spirit of the Lord, you can grow in your understanding and testimony of God the Father, Jesus Christ and His Atonement, and the Restoration of the gospel. You can find answers to life's questions, gain an assurance of your purpose and self-worth, and face personal and family challenges with faith.

Looking Unto Jesus

Born the son of a clergyman on October 18, 1662, Matthew Henry was ordained into the British Presbyterian Church where he held the pastorate in Chester from 1687 to 1712. He was widowed, married again and had 10 children, three whom died in infancy. Henry died in 1714. Henry began work on his commentary as "Notes On The New Testament" in 1704 and the monumental work was completed shortly before his death in 1714. Remembered as a caring pastor, a passionate lover of the Word of God, and a man of great personal integrity, Matthew Henry has left his mark on the hearts of countless Christians who seek a deeper

understanding of the riches that Scripture contains. This edition of Matthew Henry's Commentary on the Whole Bible uses the King James text and is abridged from the original six volumes while faithfully retaining all of the vibrant themes of that classic work. Everything here is in Matthew Henry's own words and nothing relevant to today's reader has been omitted.

If You Love God's Word You Will Love This New

Testament! The Disciples' Literal New Testament sets you free from our artificial 460 year old chapter and verse structure, replacing it with paragraphing that reflects the flow of thought in the original Greek writings. Paragraph headings make that flow of thought explicit to you, speeding your understanding of the NT books. This translation retains the writing style of the apostles themselves, rather than transforming their Greek ways of writing into an elegant or contemporary English writing style, as has been beautifully done so many times. It is the same translation as the author's New Testament TransLine, first published by Zondervan in 2002. Now you can read the New Testament as the original writers intended it, and see it with a clarity formerly available only to those who could carefully study their Greek New Testament. You can even see the difference in writing style between Matthew, Mark and Luke! Used along with your standard Bible version, you will profit from both methods of translation. *Easily grasp the relationship of the whole and the parts of each book with the big-picture overview outlines that use the words of the original author. *Gain quick insight into the flow of thought from descriptive paragraph headings that summarize the main point of each

paragraph in its context. *You can visually follow the apostles' thinking because the 'Intelligent Paragraphing' visually displays their main and subordinate thoughts. *The hindrance to your understanding caused by our artificial chapter and verse structure is eliminated by paragraphing based on the Greek writings. *You will more fully appreciate the minds and thinking patterns and intent of the original writers because the translation corresponds more closely to their words and their grammar and their sentence structure. *Deepen and expand your understanding of the New Testament by meditating on the notes containing alternative renderings,

explanations of what is being said, and different views of the meaning.

“Toys from Heaven” is based on scripture Ephesians 4:8KJV “Wherefore he saith, when he ascended up on high, he led captivity captive, and gave gifts unto men.” This book takes the text and makes it come to life to Joey a seven

year old, in Sunday school. The teacher put on a show. She showed how God sent Christ to Earth to help struggling people. A huge surprise came to the children when the teacher opened her mouth to articulate the gifts given to men. It was exuberance of joy for the children - a moment they would never forget.

I therefore, the prisoner of the Lord, beseech you that ye walk worthy of the vocation wherewith ye are called, 2 With all lowliness and meekness, with longsuffering, forbearing one another in love; 3 Endeavouring to keep the unity of the Spirit in the bond of peace. 4 There is one

body, and one Spirit, even as ye are called in one hope of your calling; 5 One Lord, one faith, one baptism, 6 One God and Father of all, who is above all, and through all, and in you all. 7 But unto every one of us is given grace according to the measure of the gift of Christ. 8 Wherefore he saith, When he ascended up on high, he led captivity captive, and gave gifts unto men. 9 (Now that he ascended, what is it but that he also descended first into the lower parts of the earth? 10 He that descended is the same also that ascended up far above all heavens, that he might fill all things.) 11 And he gave some, apostles; and some, prophets; and some, evangelists;

and some, pastors and teachers; 12 For the perfecting of the saints, for the work of the ministry, for the edifying of the body of Christ: 13 Till we all come in the unity of the faith, and of the knowledge of the Son of God, unto a perfect man, unto the measure of the stature of the fulness of Christ: 14 That we henceforth be no more children, tossed to and fro, and carried about with every wind of doctrine, by the sleight of men, and cunning craftiness, whereby they lie in wait to deceive; Eph 4:1-14 (KJV)

Ministry is a valuable part of the Kingdom. God anoints individuals in the Church with ministries and gifts to glorify Him. However, as the day of the Lord hastens, we find many believers entering into ministry with wrong motives. In addition, others are pursuing gifts for their own personal gain. We are members of the body of Christ. God places us in the Body to minister and serve one another. In this study, we will give believers a pure perspective for ministry.

REVIEW OF HE GAVE GIFTS UNTO MEN

- Charles Mackay remains, even at this late date, the best concise source of information on many of the manias he documents. Due to his nearness in time, in particular, he had access to resources

that allowed him to do a creditable job especially on the South Sea Bubble. For Tulipmania, we have better accounts in full length books, and for the South Sea Bubble, there are now (at long last) economic histories, but Mackay is a wonderfully brief, and yet detailed, account. However, Mackay has his point of view. His thesis overwhelms him, and his misanthropy is present at every turn. This blinds him to politics and local occasions. Walpole, for example, gets off scot-free in the Bubble. The European wars are no part of John Law's failures. The witch mania is unconnected to the new king, James I, having a personal interest in witches. The information, therefore,

in Mackay is vital, but the thesis is a bit tendentious. This particular edition is quite compact, and that is its problem. Since what is best about Mackay today is the reproductions of original woodcuts, the tables and lists and ads that Mackay offered, the cramped octavo printing abridges some of that. Further, the font is inelegant and similarly cramped. The book is not abridged, but it feels that way, simply due to the reduction to such a light weight and small size.

- This is my first to write a review of any book.. I can't help it I just have to say I wish all books are presented this way.. It's the IKEA of all Java books... Unboring! Great!
