Lo que nos define como seres humanos es nuestra capacidad de hablar. Siempre que nos preocupemos por cuidar lo que hablamos, cómo y cuándo lo hablamos, etc., estaremos dando más sentido a nuestra humanidad. Quien no sabe utilizar este poder del habla que nos dio el Todopoderoso y lo usa para mentir, insultar, hablar lashón hará (maledicencia), etc., realmente se rebaja al nivel de cualquier otra criatura, menos el del ser humano. Al usar para mal nuestras palabras, éstas no solamente no cumplen su propósito, sino que en ese momento hubiera sido mejor no haber tenido ese gran poder, y ser como un animal que simplemente no puede hablar y, por esto mismo, no puede avergonzarse, dañar, herir y mucho más... Si Dios nos dio ese poder solamente a los humanos, los cuales tenemos mucha más inteligencia y raciocinio que los animales, ¡seguramente fue para que pensemos antes de hablar!

"A pesar de lo importante que resulta saber hablar en público para cualquier directivo o profesional, enfrentarse a una audiencia sigue siendo uno de nuestros grandes temores y fuente de preocupación. No hemos sido educados para ello y a menudo nos falta la práctica y los conocimientos necesarios para enfrentarnos con confianza a una audiencia. Este libro, escrito por especialistas que llevan años dedicándose al debate universitario y a la docencia, te provee de los trucos, consejos y herramientas necesarias para hacer de ti un eficaz y persuasivo comunicador, y te descubre cuáles son las habilidades claves para conseguir generar un impacto en la audiencia. Comienza analizando los factores externos determinantes, el público al que te diriges -al que habrá que observar en función de su diversidad y de su motivación-, y el contexto en el que éste se encuentra. Tras ello, se centra en la definición del objetivo haciendo hincapié en el mensaje, en la importancia de un buen inicio y un mejor final, en la argumentación y en la organización del mismo. La última parte está dedicada a los materiales de apoyo, como vídeos o diapositivas, al lenguaje no verbal y al paraverbal, y te proporciona algunos consejos para controlar las diferentes emociones. Para terminar, repasa las técnicas para mejorar tu

estilo personal en función de tus características y explica la idoneidad de introducir o no el storytelling en tu discurso. Asimismo, al final de cada capítulo incluye un resumen con los puntos principales y ejercicios para poner en práctica lo aprendido."--Page [4] of cover.

"Sanctify Christ as Lord in your hearts, always being ready to make a defense to everyone who asks you to give an account for the hope that is in you, yet with gentleness and reverence." -1 Peter 3:15 Scripture is clear about the fact that we must be prepared to communicate the truth of the Gospel when given the opportunity—and do it with the right attitude. But even when your tone is gentle and respectful, what, specifically, should you say when asked or confronted about your faith? And what is your overall responsibility to unbelievers as a disciple of Christ? Pastor John MacArthur responds to these very questions and more—with solid, biblical answers focused in four particular areas: * your attitude * your preparedness * the content of your answers * your priority in witnessing Combining a biblical study of evangelism, a rational defense of Christian beliefs, and a practical approach to

evangelism, this book offers a well-rounded perspective that can help you gently and confidently give an answer for the hope you have in Christ.

REVIEW OF EL PODER DE LA PALABRA ROBERT DILTS PDF GRATIS DESCARGAR

- I loved this book and finished it in 24 hours! But when I stopped to reflect on what made the book so great all I can think is I laughed out loud and I actually snorted. It wasn't my proudest moment, or very lady like, but I was alone so I figure that's okay. I think what I liked the most was Crusie wrote complex characters but didn't hold the readers hand while over explaining them and killing their uniqueness factor by putting a neon sign over their every trait. If you like cute romance with funny characters and a complicated story, definitely pick this up!
- I can't believe that I just discovered Jennifer Crusie last year! I really, really enjoy her novels and her heroines! They are intelligent, full of personality, realistic, human, and (most importantly) never skinny, over-highlighted, complaining "it" girls. In a literary world full of the woeful tales of starving, depressed, and delusional heiresses, Jennifer Crusie is such a relief to find. Bet Me is about Minerva Dobbs and her attempt to

find Mr. Right without losing her integrity and self respect. I would talk about the plot more, but you, if you enjoy romances, all you need to know is that you should just read it. Minerva is an incredibly likeable character, and the writing and the plot are just

hilarious! This is a romance for intelligent, witty women who want something more literary than Harlequin and less glossy than Jackie Collins or Danielle Steel.
