## **REVIEW OF LE CARTE MEDICINA CON 54 CARTE**

- Another another great book from LaVyrle Spencer, who writes in a way that you can believe the story..not heroines and bodice-ripping heroes - just real life people.
- Jake has lied to his pen pal about many things. Especially about how good he is at foot ball(In real life he's terrible) He is left with no other choice but to switch

bodies with his sister who is a star athlete. The results are HALARIOUS!!!!
