## **REVIEW OF OCEANLINERS MEDIA ILLUSTRATION**

- I am a fan of Christmas books and Charles Dickens and A Christmas Carol is a really good book. I got the book for a good price. I recommend the book and author. It is pretty easy to read on my iPhone 5. I bought it from Kindle app and it downloaded pretty fast.
- We have long loved this book. I was charged by my family to find a good copy, beautiful and legendary, to replace the hardback collection we picked up used somewhere many years ago. The old copy was falling apart, kind of sterile. This new book is beautiful. The pictures are great. The text easy on the eyes. Everything working together to make a special edition to our family and one we

hope to continue to read annually. I succeeded in satisfying the charge given to me. Great for a gift.
