Aim High will help your students succeed as language learners in the classroom, with their homework and also in exams. How will

it do this? It builds students vocabulary knowledge through a structured and progressive approach. What does this mean? There are over 50 active vocabulary items in each unit, including words from the Oxford 3000™. Students learn the meaning of new words but they also learn how and when to use them for themselves. And these are not just useful, everyday words. They're also introduced to expressions, idioms, phrasal verbs, and so on. Essential language for communicating well in English. As a teacher you'll want to help your students become autonomous learners. In Aim High there are lots of opportunities to prepare for this. In the Student's Book there's

a 'Dictionary Corner', with exercises to help them towards learner autonomy. There's also a Literacy Corner to extend their vocabulary, focusing on selected readers of the right level. With the self-check and review boxes they can see how they're progressing for themselves. A Grammar Reference and Grammar Builder bring together all the grammar and vocabulary for the unit. These allow students to look back over grammar points and review what they have learned.

Lo/Fisher is praised for its readability and conversational writing style that helps students better understand difficult concepts in Accounting. Lo/Fisher presents the how and why of reporting

accounting information from within an easily-understood theoretical framework. Lo/Fisher has a clean layout that engages the reader with a clear writing style using plain English. This text is built on the current International Financial Reporting Standards (IFRS) and incorporates Accounting Standards for Private Enterprise (ASPE) where appropriate. Our philosophy is that when students understand the current standards, they will be able to analyze and interpret changes in the future. ## **REVIEW OF SOLUTIONS UPPER INTERMEDIATE TEST BANK**

- As an assignment to

my 11th grade American Literature class, one of the requirements has been to read *Of Mice and Men* by John Steinbeck. I found this novel to be strange and extremely obnoxious. One is introduced to two characters, George and Lennie, right off the bat. As a reader I found myself placing my body and mind into the characters positions. You easily fall in love with the relationship between the two of them. George has this dream and a life that he is able to incorporate Lennie into. Lennie is a sweet, compassionate man with a mental disability. This novel sets you up for Lennie's repeated downfall. Therefore, I find myself to be disgusted with the

book.

- "*Of Mice and Men*" is such a wonderful little piece of fiction. Steinbeck is an absolute marvel in his use of imagery, and his ability to paint the lives of ordinary men in such bright colors is unparalleled. This book is short, but a gamut of emotions packs its pages. Not only is the reader exposed to anger and exasperation, but humor, despair, and a reintroduction to the human condition as well. The characters of George and Lennie are classic, and in my opinion, can easily be compared with Fitzgerald's Nick Carraway and Jay Gatsby as far as memorability goes. Steinbeck, undoubtedly, has written a slew of great

works including "The Grapes of Wrath" and "Cannery Row," but if ever there is a story you should read by this man, it is "Of Mice and Men." Its simplicity alone is genius and there is a lot said about power and how it is abused and lorded over the weak. Good things come in small packages...and for those high school kids out there who think it sucks...I've been there....Just give it a few years and you are likely to better understand its importance with age (and the same goes for "The Great Gatsby" while I'm on my soap box).
