Overall, our evaluation of Blue Team Handbook Condensed Responder has

actually provided us with an abundant understanding of the narrative and its literary capacity. We highly suggest this publication to readers that are looking for a provocative and emotionally impactful read.

### **REVIEW OF BLUE TEAM HANDBOOK CONDENSED RESPONDER**

- I managed to get through the book, because it became my own insane Julie/Julia/Audrey project. What a waste of my time. I really don't recall any "laugh out loud" moments as promised by the press release. I don't even like

the author very much. Only at the second (or was it third) ending did I hold out any hope that Santa finally delivered Julie Powell's much-overdone maturity. I was hoping for some more parallels to Julia Child. For that, I blame the movie hype (which made me want to read the book in the first place). I'm certain that Nora Ephron's magic will save this tale - in fact, I'm counting on it.

- Delightful! Powell has a natural,

anecdotal voice that draws you into her chaotic life. She's even able to present her impulsive decision to cook all of the recipes from Julia Childs' "Mastering the Art of French Cooking" as a sort of valiant last stand against the increasing mediocrity of her life. Powell lays out the ensuing year of culinary obsessiveness in all of its messy detail. This is a great read if you're at all interested in Molly Ivans-style wit or the down-to-the-wire suspense of an episode of Iron Chef.
