- This book is very informative if your child has a brain or spinal cord tumor. It is broken into easy to read sections. The

quotes from people who already lived through this were priceless. I helps put things in perspective for you. It gives you tips on how to deal with unusual circumstances. It has lots of resources for

contacting other organizations on the web as well. Very helpful for me and my family.

- I hate the book. It was the worst thing i've ever seen! What ever you do, do NOT buy this book!!!
