REVIEW OF ABNORMAL PSYCHOLOGY CHAPTER QUIZZES

- Father Michener is plagued with worry

for his dear friend and mentor Pope Clement XV. Clement is concerned with a startling secret that is hidden in the archives of the Vatican. He then sends Michener on a trip to unravel the mystery of the third secret that the Virgin Mary has revealed to three youngsters. Gripping page turner? No, the only reason why I kept turning pages was because I was highly expecting a blow out a secret to end all secrets but once revealed I was sorely let down. Insights on the Vatican was nothing more than the writer's own opinion which makes this book a decent fiction read, one that you can take on a long airplane trip to pass away the time. blah

something as all of her picture books are great. This is appealing to small children and adults alike. Slinky Malinki is one of several characters who appear in many of LD's books. He is a cheeky and loveable pet cat who gets up to highjinks around the neighborhood. Highly recommended
