REVIEW OF SOLUTION OF MIESSLER ORGANOMETALLIC CHEMISTRY

- Christine Feehan does it again, for all of you that have only read this one book by her, i strongly suggest that you read them all!
- I was looking forward to receiving this book, as I was going to New Orleans to Antoine's restaurant. I read the book at least thirty years ago and wanted my own copy. This book came without a dust jacket and was so musty that I could not read it without my eyes watering. I sent it back, at my own expense, and to date, I have not had a refund.
