"The powerful and inspiring story of an all-American wrestler who defied the odds. Anthony Robles is a three-time all-American wrestler, the 2011 NCAA National Wrestling Champion, and a Nike-sponsored athlete. He was also born without his right leg. Doctors could not explain to his mother, Judy, what led to the birth defect, but at the age of five, the one-legged toddler scaled a six-foot pole unassisted. From that moment on, Judy knew without a doubt that her son would be unstoppable. When Anthony first began wrestling in high school, he was the smallest kid on the team and finished the year in last place. Yet Anthony's family and coaches supported his decision to continue, and he completed his junior and senior years with a 96-0 record to become a two-time Arizona State champion. In college, Anthony had to prove all over again that he could excel. Despite hardships on and off the mat--including the temptation to quit school and get a job to help his family when they lost their home to foreclosure--Anthony focused his determination and became a champion once again. Since winning the national championship in March 2011, Anthony has become a nationally recognized role model to kids and adults alike. But *Unstoppable* is not just an exciting sports memoir or an inspirational tale of living with a disability. It is also the story of one man whose spirit and unyielding resolve remind us all that we have the power to conquer adversity--in whatever form"--

Swami Mukundananda of Jagadguru Kripaluji Yog (JKYog) Institute Gathering insights from 20 years of the author's executive coaching in the United States and abroad, this book presents 21 mindfulness strategies for business leaders, corporate heads, entrepreneurs, and professionals. During the author's coaching sessions for business and corporate leaders and her trainings at corporations, mid-sized businesses, small businesses, and start-up organizations, she discovered that there is a wide gap between those who achieve success and those who do not. Written in accessible, easy-to-digest language, and targeted towards busy US business professionals who long for thought-leadership to boost their success, the book argues that success depends on changing one's mindset in key ways. Each chapter focuses on one way to transform one's mindset to achieve success. The union of these 21 ways provides a uniquely comprehensive program for leadership success in business and corporate careers. Drawing from a blend of Eastern and Western wisdom, the book blends true-life

storytelling about the challenges of actual business professionals with insights drawn from traditional parables from classic "wisdom books" to inspire readers to think-through how to transform their mindsets. Ultimately, the book helps magnify one's inner power: the power of one's mind. The book calls on business professionals to unleash their "inner leader." When they recognize the power of their inner leader, they will become unstoppable.

### **REVIEW OF UNSTOPPABLE TRANSFORMING YOUR MINDSET TO CREATE CHANGE ACCELERATE RESULTS AND BE THE BEST AT WHAT YOU DO**

- The imagery, character development and simplicity of this story create a powerful mental picture of loneliness and the need for everyone to belong. Seeing the movie and watching the play makes one feel responsible for the well being of all who travel the highways and byways looking for "family". Great book!!!
- i had to read this book for school so i bought it so i could and im normally a really fast reader and my thoughts dont really trail off when im reading but i opened the book and started to read the first page, it took me 5 minutes just reading that one page because i would start thinking of what im gonna do this weekend or whats for dinner and then have to start over cause i couldn't remember what i had just read, so in my opinion dont read this book unless you absolutely have to.
