Remember, checking out testimonials can help you make notified choices regarding what to read following and can subject you to new writers and styles you could not have thought about before.

REVIEW OF ESOL INTERNATIONAL LEVEL 1 B2 TO LEVEL 3 C2

- Saying you know the story of "Gone With the Wind," because you've seen the movie is like saying you know Kansas from watching "The Wizard of Oz." Compressed and with composite characters, the brilliant movie doesn't hold a candle to the novel upon which it is based. The novel has undergone much criticism, for black dialect (which we studied, along with other dialects in History of the English Language), for rosy portrayals of slavery, and for being a forbidden romance that happens to have the Civil War as its background. "Gone With the Wind," is more than a novel; it is an experience.

Scarlett O'Hara is devout with faith---in herself, and is a survivor. The true tragedy of the book is that she is blinded by her ignorance into ignoring true love when it was present, and longing after an idealized love with a married friend. The book is lush with descriptions of the period, and very accurate in its detail. Scarlett is externally strong, with fragile emotions, while her foil Melanie Hamilton Wilkes is internally strong, with character and devotion that run deep. Ashley Wilkes is rather pathetic in that he never has the integrity to admit a lust for his childhood friend Scarlett but not romantic love, while Rhett, in many ways like Scarlett, and older and wiser, loves her for who she really is, not the face that society of the time demands she show in public. The story is mostly about

character development in the face of tragedy, and shows three survivors with one "displaced person," forever malcontent in the new world that the War has created, out of place, sad, and futile. A word about the slavery element: slavery was NOT a good thing. Not all slaves were named after their owners or treated as trusted members of the family or confidantes. Aside from Rhett, Mammy is the only person who knows Scarlett, what she is capable of, and chastises her for her lack of morals or values. I feel her character is critiqued based upon her speech patterns, not her actual actions. With the exception of Prissy, none of the African-Americans appear to be ridiculed or used for comic effect, nor do stereotypes surface. Pork, Dilcey, Mammy, and Prissy are fortunate

that the emotional ties they shared with the O'Haras continued so much that they remain as paid staff after being freed. Cruelty from others is also depicted, usually in the form of Northerners who didn't understand the way of life. What remains is a tale of what happens when one's way of life and world are turned upside down, and how the principal character handles it, and relates with the others, failing at times to recognize the quality of friendship from her sister-in-law Melanie and the weakness of Ashley Wilkes. I quite wonder if Mittie Bulloch Roosevelt felt this way, when the enchanting Clayton County belle (from whom some of Scarlett's physical traits seem drawn) moved to New York State with new husband Theodore Roosevelt, Sr. While not all elements of the novel

are positive, GWTW is a snapshot album of life during the Civil War and Reconstruction.

- Hey, 'Reader from Santa Fe'. Yes there are passages which are cringeworthy. And do you know what? Thank God it's never been banned! For MM to have written it any other way would be a fib. No, I'm not talking about the glorification of slavery and their 'barracks.' I am with you and Toni Morrison 100% on the reality of this outrageous part of history. But for MM to have written it any other way would hardly ring true. Anyone who knows about her life knows that she was writing from the perspective that she did because that was her experience. She lived in a world of white supremacy and segregation, and do you know what? I read this and think thank goodness we

don't now! That goodness I can have the friends that I want to and date the guys I want to, regardless of their background. GWTW is as much a historical document, albeit laced with southern pride, inasmuch as it shows what past attitudes were. I see GWTW as a great story nonetheless, with strong characters

clashing with each other and riding roughshod over others in the name of self-survival. Not always attractive qualities, but qualities that have themselves survived. May I recommend *The Wind Done Gone* by Alice Randall? She writes that MM and GWTW inspired her to think. They inspired me too.
