## **REVIEW OF CONSUMPTION ECONOMICS THE NEW RULES OF TECH**

- I will not talk about the plot, but Stover wrote a piece of literature. His writing GRABS the reader. It is amazing how it pulls you in from the first sentence and never lets you go. If you liked *Traitor*, you like this book.
- Stover was the right man for this job. His prose is earnest and concise. He brought me into this story world from a perspective not able to be brought to the fore in the film. His passages are textured with physical detail and emotional clarity. This guy knows what makes a warrior tick -- tick -- tick -- BOOM! The last few chapters had me working between a desire to tear thru the pages of the engaging story while trying to savor every detail.

will return to REVENGE OF THE SITH for years to come and will be sure to look for more of Mr. Stover's offerings.
