Our option of downloadable Pursuit Of Youth is always increasing, so see to it to stay connected to locate your next great read that suits your unique reading preference.

Join our area today and begin your trip into the globe of literature with simple downloads of all your favorite publications like **Pursuit Of Youth!**

REVIEW OF PURSUIT OF YOUTH

- I bought this book because it had the largest and most creative selection of recipes, but that's just not good enough. After two failures today I referred back to some "old standards" and discovered that the proportion of

flour to liquid is different by almost 3 ounces in some cases. The result was a sticky mess that could barely be corrected by adding more and more flour. In one case, adding flour never did compensate for the combinations of other ingredients (chocolate and orange segments). When I read the book more closely, I discovered that the author recommends standing by during mixing to make this adjustment on all the recipes. So much for having fresh bread ready when you wake up in the morning. The author's credentials seem

good, but she doesn't understand the breadmaker's approach. I suppose I'll use the ideas in this book and adjust the liquid as needed, but it certainly won't replace the recipes that I've used for the past ten years. Too bad.

- This book is my favorite of all the CYOA series. It was a treasury of my childhood, I loved the science fiction of the whole dragon encounters. Scary dragons from space, a whole world of possibilities, an absolute must for young adults. Mad kudos.
