## **REVIEW OF BALKAN IDENTITIES NATION AND MEMORY MARIA TODOROVA**

- If I wasn't so familiar with Dave Barry's work, I would probably have called this a five star book; it is a delightfully funny collection of columns by one of the best humorists in the world. But I've seen better from Dave, and have

come to expect it, so I have to rate this book at four stars, simply to differentiate it from his best work (Dave Barry Turns 40, Dave Barry Is Not Making This Up, Dave Barry's Book Of Bad Songs, Dave Barry's Only Travel Guide You'll Ever Need, maybe Dave Barry's Greatest Hits).

- A good book for review. But look for more indepth books to actually learn the subject matter. Then use this as a review before testing.
