„Până la urmă, acesta este destinul cuvântului: să treacă în faptă. Cât de mare este responsabilitatea autorului cuvântului pentru faptele viitorimii? Nu știu să spun exact. Și, pentru că nu știu, practic această mică lașitate - ficțiunea, lasând lucrurile să se dezvolte aproape de la sine. Mai departe, n-am o soluție.” - Andrei Cornea
Ținea minte perfect (sau așa credea) ce fusese înainte, dar, când era vorba despre ce se întâmplase după, anii i se învâlmășeau în cap și totul plutea într-un fel de negură, care anihila limitele lunilor și anilor. A fost mult, a fost puțin - parcă totul nu fusese decât un pe urmă prelungit luni și ani de zile. Un provizorat, o tranziție (spre ce?), o trecere spre altă viață (care?); așa că, deși unele detalii îi erau clare, întregul, sensul general al mișcării rămăneau obscure. Pesemne că totul se schimba prea repede; lucrurile vechi piereau pe neașteptate, oamenii se îmbrăcau mereu altfel, arătau altfel (mai ales femeile), casele vechi erau dărâmate sau revopsite, străzile căpătau mereu alte nume, se puneau alte afișe și alte semne de circulație; până și bordurile trotuarelor le schimbau frenetic. Apăreau mereu trenuri noi, mașini noi, telefoane noi, ziare noi, tâmpenii noi și mai ales oameni noi care păteau țănoși, enervanți, nestingheriți de trecut. Iar de felul adevărat de viață de dinainte își aminteau tot mai puțini. Lumea citea cu nesaț ziarele, se uita la noile tele-eceane și comenta tot felul de noutăți, scandaluri, crime, filme, dive, sport, jafuri, șomaj, bătăi, revolte, greve, dar despre ce făcuse sau ce fusese fiecare înainte nimeni nu voia să vorbească ori pretindea cu seninătate că nu ținea minte, sau chiar că lucrurile fuseseră cu totul altfel decât știa el bine că fuseseră. Fiindcă el chiar știa.

Revista economică Infinite Study

A practical tool for legal professionals who wish to strengthen their skills in applying the European Convention on Human Rights and the case law of the European Court of Human Rights in their daily work This is the second and expanded edition of a handbook intended to assist judges, lawyers and prosecutors in taking account of the requirements of the European Convention on Human Rights and its Protocols (“the European Convention”) - and more particularly of the case law of the European Court of Human Rights - when interpreting and applying codes of criminal procedure and comparable or related legislation. It does so by providing extracts from key rulings of the European Court and the former European Commission of Human Rights that have determined applications complaining about one or more violations of the European Convention in the course of the investigation, prosecution and trial of alleged offences, as well as in the course of appellate and various other proceedings linked to the criminal process.

Paradoxismul este o mișcare internațională de avangardă în literatură, artă, filozofie, chiar și în știință, bazată pe folosirea excesivă de antiteze, antinomii, contradicții, oximorone, parabole, inversări sau devieri de sensuri, interpretări de la figurativ la propriu, paradoxuri etc. în creație. A fost înființat de către scriitorul, artistul și omul de știință Florentin Smarandache, în anii 1980, în România, dorind lărgirea sferei artistice prin elemente neartistice și prin experimente contradictorii; în special creație în contra-timp, contra-sens. Primul manifest paradoxist a fost publicat în limba franceză, în anul 1983, în prima carte paradoxistă, *Le Sens du Nonsens / Sensul Nonsensului*, apărută în Maroc. Inițiatorul paradoxismului împreună cu Andrușa R. Vătușiu propun acum publicului exprimarea paradoxismului în sociologie.

REVIEW OF INGRIJIREA OMULUI BOLNAV SI A OMULUI SANATOS

- While this is helpful, it is not a necessary purchase if you purchase the 2008 Paris Guide by Rick Steves. But it is a fun and entertaining read!

- "A Connecticut Yankee in King Arthurs Court" is a book about a man from the 19th century who "time travels" back into the 6th century when he is hit on the head by a friend. The man attempts to modernize everything. He makes people believe he is a powerful magician by performing simple acts that seem unreal to the people. For example, he blows up a tower by connecting gun powder to a lightning rod during a storm. Amazing....I think not. I thought this book was boring because there are to many unnecessary details. Who cares what each prison cell looks like? One whole chapter was on the prices of food and how they vary from town to town. Another reason I disliked this book is because it was hard to follow. All the different knights names are so hard to remember and its so slow paced that if you put the book down you can't remember what was going on and you're not interested enough to care. This was a boring 300 page book that could easily be made into an interesting 150 page book. I would only recommend this to someone who has a lot of time on their hands or to someone who likes slow paced books.
