You can also follow us on social media to remain up-to-date with our newest offerings.

So what are you waiting on? Beginning checking out Chapter 15 Guided Reading Assignment Answers summaries today and uncover your following terrific read!

## REVIEW OF CHAPTER 15 GUIDED READING ASSIGNMENT ANSWERS

• As I had another version of the complete works of Shakespeare in old-fashioned book format, I hesitated a while before buying the same thing for Kindle. What was the point? I knew most of the plays anyway, being a WS fangirl. I was finally tempted by the apocryphal content. A couple I had heard of, but most of them I didn't know. One of the advantages of the Kindle (and forgive me for stating the obvious) is that no matter what size the material you are reading is, your book format remains the same. And this is no small consideration when you're dealing with a writer as prolific as Will. My paper and ink version is an absolute doorstep and therefore I'm hardly going to pick it up on a whim to re-read Hamlet, however much I love the play. Now, however, it's as simple as clicking on the list in the table of contents. The layout is easy to read, the content doesn't need me to review

it, and I'm thoroughly enjoying spending time with old friends. Five stars.

- Like many people who commented on this collection, I watched the price fluctuate before I finally pulled the trigger at about \$60. I have a big, beautiful complete works of Shakespeare bound in leather that mostly sits on my shelf because it is such a burden to take down and actually read. If

you actually want a durable set of plays and poems that does not involve heavy weightlifting, this is the set for you. They fit nicely in the hand, the text is pleasing to the eye, and they do not look dirt cheap. I have absolutely no regrets about buying these volumes - they are bound in navy cloth, embossed in silver, and each includes a ribbon bookmark. I know others have complained about this not being a "complete" set in every sense of the word, but for most of us out there, this collection should be sufficient and I dare say will impress your friends.
