REVIEW OF OREGON DRIVER MANUAL STUDY GUIDE

- This is the story of three best friends all with different things going on in their lives. They meet at a their favorite bar to catch up at the beginning of every month. This was a book I felt that was something most women can relate to with their girlfriends. I was able to read this in one day without putting it down once. I highly recommend this!
- The chosen is one of the best night world books in the series. For once the contrast between Vampire hunter and vampire actually work. Rashel is a vampire hunter and Quinn is a vampire, and they're soulmates. That might sound corny but I'm not finished, they're determined to kill each other though. It's intriguing and mysterious and is a book you have got to read.
