Everyone knows that Bertolt Brecht was one of the great 20th-century innovators in theatre - the literary-theatrical equivalent of a Picasso or Stravinsky - and Germany's greatest poet of the last century, but the playwright was also a dazzling writer of stories. Storytelling permeated his art as a dramatist; fundamentally in his plays he was a storyteller. This volume collects the complete short stories written by Brecht, including the prize-winning 'The Monster', and the fragmentary memoir ghost-written by Brecht, 'Life Story of the boxer Samson-Körner'. Brecht scholar Marc Silberman provides an introduction and editorial notes. Fans of Brecht will find in the 37 stories assembled here the same directness, lack of affectation, and wry humour that characterise his plays. Every lover of short stories will discover an unexpected trove of pleasure in this "mine for short-story addicts" (Observer).

Bertolt Brecht: A Literary Life Cambridge University Press

Bertolt Brecht in Context examines Brecht's significance and contributions as a writer and the most influential playwright of the twentieth century. It explores the specific context from which he emerged in imperial Germany during the late nineteenth and early twentieth centuries, as well as Brecht's response to the turbulent German history of the twentieth century: World Wars One and Two, the Weimar Republic, the Nazi dictatorship, the experience of exile, and ultimately the division of Germany into two competing political blocs divided by the postwar Iron Curtain. Throughout this turbulence, and in spite of it, Brecht managed to remain extraordinarily productive, revolutionizing the theater of the twentieth century and developing a new approach to language and performance. Because of his unparalleled radicalism and influence, Brecht remains controversial to this day. This book - with a Foreword by Mark Ravenhill - lays out in clear and accessible language the shape of Brecht's contribution and the reasons for his ongoing influence.

Now available in Bloomsbury Revelations series, Brecht on Performance: Messingkauf and Modelbooks presents a selection of Brecht's principal writings about the craft of acting and realising texts for the stage. It crystallises and makes concrete many of the more theoretical aspects of his other writing and illuminates the practice of this hugely influential director and dramatist. The volume is in two parts. The first features an entirely new commentated edition of Brecht's dialogues and essays about the practice of theatre, known as the Messingkauf, or Buying Brass, including the 'Practice Pieces' for actors (rehearsal scenes for classics by Shakespeare and Schiller). The second contains rehearsal and production records from Brecht's work on productions of Life of Galileo, Antigone, Mother Courage and others. Edited by an international team of Brecht scholars and including an essay by director and teacher Di Trevis examining the practical application of these texts for theatres and actors today, Brecht on Performance is a wonderfully rich resource. The text is illustrated with over 30 photographs from the Modelbooks.

A terrifying series of short poems by one of the world's leading playwrights, set to images of World War II In this singular book written during World War Two, Bertolt Brecht presents a devastating visual and lyrical attack on war under modern capitalism. He takes photographs from newspapers and popular magazines, and adds short lapidary verses to each in a unique attempt to understand the truth of war using mass media. Pictures of catastrophic bombings, propaganda portraits of leading Nazis, scenes of unbearable tragedy on the battlefield — all these images contribute to an anthology of horror, from which Brecht's perceptions are distilled in poems that are razor-sharp, angry and direct. The result is an outstanding literary memorial to World War Two and one of the most spontaneous, revealing and moving of Brecht's works.

The autobiography-of-sorts of André Gregory, an iconic figure in American theater and the star of My Dinner with André This is Not My Memoir tells the life story of André Gregory, iconic theatre director, writer, and actor. For the first time, Gregory shares memories from a life lived for art, including stories from the making of My Dinner with André. Along the way we meet Jerzy Grotowski, Helene Weigel, Gregory Peck, Gurumayi Chidvilasananda, Wallace Shawn, and many other larger-than-life personalities. And what does it mean to confront the process of aging when your greatest work of art may well be your own life?

This book examines the two-way impacts between Brecht and Chinese culture and drama/theatre, focusing on Chinese theatrical productions since the end of the Cultural Revolution all the way to the first decades of the twenty-first century. Wei Zhang considers how Brecht's plays have been adapted/appropriated by Chinese theatre artists to speak to the sociopolitical, economic, and cultural developments in China and how such endeavors reflect and result from dynamic interactions between Chinese philosophy, ethics, and aesthetics, especially as embodied in traditional xiqu and

the Brechtian concepts of estrangement (Verfremdungseffekt) and political theatre. In examining these Brecht adaptations, Zhang offers an interdisciplinary study that contributes to the fields of comparative drama/theatre studies, intercultural studies, and performance studies.

Meyerhold, Piscator, Brecht A&C Black

Bertolt Brecht's Me-ti, which remained unpublished in his own lifetime, now appears for the first time in English. Me-ti counselled against 'constructing too complete images of the world'. For this work of fragments and episodes, Brecht accumulated anecdotes, poems, personal stories and assessments of contemporary politics. Given its controversial nature, he sought a disguise, using the name of a Chinese contemporary of Socrates, known today as Mozi. Stimulated by his humorous aphoristic style and social focus, as well as an engrained Chinese awareness of the flow of things, Brecht developed a practical, philosophical, anti-systematic ethics, discussing Marxist dialectics, Lenin, Hitler, Stalin, the Moscow trials, and the theories behind current events, while warning how ideology makes people the 'servants of priests'. Me-ti is central to an understanding of Brecht's critical reflections on Marxist dialectics and his commitment to change and the non-eternal, the philosophy which informs much of his writing and his most famous plays, such as The Good Person of Szechwan. Readers will find themselves both fascinated and beguiled by the reflections and wisdom

it offers. First published in German in 1965 and now translated and edited by Antony Tatlow, Brecht's Me-ti: Book of Interventions in the Flow of Things provides readers with a much-anticipated accessible edition of this important work. It features a substantial introduction to the concerns of the work, its genesis and context - both within Brecht's own writing and within the wider social and political history, and provides an original selection and organisation of texts. Extensive notes illuminate the work and provide commentary on related works from Brecht's oeuvre.

Understanding Ingeborg Bachmann Farrar, Straus and Giroux

This first English language biography of Bertolt Brecht (1898–1956) in two decades paints a strikingly new picture of one of the twentieth century's most controversial cultural icons. Drawing on letters, diaries and unpublished material, including Brecht's medical records, Parker offers a rich and enthralling account of Brecht's life and work, viewed through the prism of the artist. Tracing his extraordinary life, from his formative years in Augsburg, through the First World War, his politicisation during the Weimar Republic and his years of exile, up to the Berliner Ensemble's dazzling productions in Paris and London, Parker shows how Brecht achieved his transformative effect upon world theatre and poetry. Bertolt Brecht: A Literary Life is a powerful portrait of a great, compulsively contradictory personality, whose artistry left its lasting imprint on modern culture.

Published in English for the first time, Refugee Conversations is a delightful work that reveals Brecht as a master of comic satire. Written swiftly in the opening years of the Second World War, the dialogues have an urgent contemporary relevance to a Europe once again witnessing populations on the move. The premise is simple: two refugees from Nazi Germany meet in a railway cafe and discuss the current state of the world. They are a bourgeois Jewish physicist and a left-leaning worker. Their world views, their voices and their social experience clash horribly, but they find they have unexpected common ground – especially in their more recent experience of the surreal twists and turns of life in exile, the bureaucracy, and the pathetic failings of the societies that are their unwilling hosts. Their conversations are light and swift moving, the subjects under discussion extremely various: beer, cigars, the Germans' love of order, their education and experience of life, art, pornography, politics, 'great men', morality, seriousness, Switzerland, America ... despite the circumstances of both characters there is a wonderfully whimsical serendipity about their dialogue, the logic and the connections often delightfully absurd. This edition features a full introduction and notes by Professor Tom Kuhn (St Hugh's College, University of Oxford, UK).

Collected Short Stories of Bertolt Brecht Bloomsbury Publishing

Hailed for its coiled eroticism and the moral claims it makes upon the reader, this mesmerizing novel is a story of love and secrets, horror and compassion, unfolding against the haunted landscape of postwar Germany. When he falls ill on his way home from school, fifteen-year-old Michael Berg is rescued by Hanna, a woman twice his age. In time she becomes his lover—then she inexplicably disappears. When Michael next sees her, he is a young law student, and she is on trial for a hideous crime. As he watches her refuse to defend her innocence, Michael gradually realizes that Hanna may be guarding a secret she considers more shameful than murder.

War Primer [London] : B. Hanison

The legacy of Bertolt Brecht is much contested, whether by those who wish to forget or to vilify his politics, but his stature as the outstanding political playwright and poet of the twentieth century is unforgettably established in this major critical work. Fredric Jameson elegantly dissects the intricate connections between Brecht's drama and politics, demonstrating the way these combined to shape a unique and powerful influence on a profoundly troubled epoch. Jameson sees Brecht's method as a multi-layered process of reflection and self-reflection, reference and self-reference, which tears open a gap for individuals to situate themselves historically, to think about themselves in the third person, and to use that self-projection in history as a basis for judgment. Emphasizing the themes of separation, distance, multiplicity, choice and contradiction in Brecht's entire corpus, Jameson's study engages in a dialogue with a cryptic work, unpublished in Brecht's lifetime, entitled Me-ti; Book of Twists and Turns. Jameson sees this text as key to understanding Brecht's critical reflections on dialectics and his orientally informed fascination with flow and flux, change and the non-eternal. For Jameson, Brecht is not prescriptive but performative. His plays do not provide answers but attempt to show people how to perform the act of thinking, how to begin to search for answers themselves. Brecht represents the ceaselessness of transformation while at the same time alienating it, interrupting it, making it comprehensible by making it strange. And thereby, in breaking it up by analysis, the possibility emerges of its reconstitution under a new law.

"Those who dismiss Brecht as a yea-sayer to Stalinism are advised to read these journals and moderate their opinion." (Paul Bailey, Weekend Telegraph) Brecht's "Work Journals" cover the period from 1938 to 1955, the years of exile in Denmark, Sweden, Finland and America, and his return via Switzerland to East Berlin. His criticisms of the work of other writers and intellectuals are perceptive and polemic, and the accounts of his own writing practice provide insight into the creation of his dramatic works of the period, the development of his political thinking and his theories about epic theatre. Also integrated into the journals are Brecht's immediate reactions to and commentary upon the events of the period: his political exile's view of the course of World War II and his account of the House Un-American Activities committee. "A marvellous, motley collage of political ideas, domestic detail, artistic debate, poems, photographs and cuttings from newspapers and magazines, assembled, undoubtedly for posterity by one of the great writers of the century" (New Statesman and Society)

This volume surveys and assesses the contributions of Vsevolod Meyerhold, Erwin Piscator and Bertolt Brecht to theatre-making, which richly exemplify the range of ways that directors address dramatic material, theatrical space and their audiences. Their directorial work marks an unmistakable interest in developing the political potential of theatre in the early 20th century, although each director offered more to their actors, collaborators and spectators than simply the staging of politics and the political.
