REVIEW OF FUNCTIONAL SKILLS ENGLISH

LEVEL 2 SAMPLE ASSESSMENT READING

- Exceptional audio reading by Jeffrey DeMunn! I wish I knew his e-mail address , or he had a web site, so I could express my compliments. Mr. DeMunn's reading makes my commuting a great pleasure.I'm listening to it over and over again. The narration is exceptional. The voice is extraordinarily pleasant and clear, and every character has a very distinguishable voice. This Audio CD could be used by ESL programs; just listen to it over and over again and your English will surely improve.The writing of Dreamcatcher is very good also, otherwise I wouldn't be able to listen to it over and over and over..

- For me, this book probably ranks right about in the middle between King's best and worst books. It's entertaining, and you can get into the characters, but I guess the book is more of a "downer" than most of his. I won't say and spoil it for anybody.As far as the audiobook goes, the reader takes a little getting used to. He reads in kind of this matter-of-fact "Mr Rogers Neighborhood" kind of voice, which at first seems really odd given the subject matter. Eventually you get used to it though, and it's not so bad.
