REVIEW OF C6 STUDY GUIDE ANSWERS BLACKBOARD

- This girl's father and mother are so mean and her love for the soldier is so real . Another awesome about a mean dad is CAMP of the ANGEL. I loved it as much as I love this book! And i also recommend you get the movie of summer of german

soldier . It's great!

- Who would've thought that so many murders could occur in theatres? But then again, it's all a case of life imitating art, and no one does this better than Ngaio Marsh. It's not surprising when you realize that she was a stage director/producer in New Zealand. *Night at the Vulcan* beautifully captures the atmosphere unique to the theatre, while laying out a very clever case of murder made to look like suicide. This is all told through the eyes of Martyn Tarne, a young lady newly arrived to the London theatre scene, making it all the more interesting. The only reason that I gave this book 4 stars instead of 5, was that the identity of the murderer

became a little too obvious, in my opinion, but all in all, a fantastic read.
