Typewriting and Stenography Examination

Pitman shorthand is a system of shorthand for the English language developed by Englishman Sir Isaac Pitman (1813-1897), who first presented it in 1837. Like most systems of shorthand, it is a phonetic system; the symbols do not represent letters, but rather sounds, and words are, for the most part, written as they are spoken.

REVIEW OF SHORTHAND

ENGLISH QUESTION PAPERS

- I love Jodi Piccoult. She write about issues we all need to talk about, without making us feel like we are talking about an issue. Instead we are getting an insight into the life of her characters, from every view point. Superb author and book.

- The atmosphere the authors created swept me back in time to the places and experiences of my youth in Illinois. Justice for None vividly and accurately describes post-World War I Mid-America and combines it with suspense to make a powerful novel. I was totally absorbed by this book and enjoyed it thoroughly.
