So why wait? Start downloading and install A Very British Coup PDF today and experience the convenience and benefit of accessing a large range of beneficial files at your fingertips.

REVIEW OF A VERY BRITISH COUP

- Lynn Austin does a wonderful job of capturing your imagination in the book. I also like the fact that she puts scripture references so you can read for your self in the Bible.
- I cannot remember why I picked up *The Feverbird's Claw*, but am I ever glad I did! This was one of the best children's fantasy books that I have read in quite a while. The world is imaginative (as opposed to the highly derivative works that so many other authors tend to write; no elves/dwarves/werewolves/whatever in this world!), the characters compelling, and the protagonist's growing understanding of the complexity of her

world and shades of right and wrong is wonderfully executed. The book centers around Moralin, a citizen of the city of Delagua, who one day sneaks outside the walls at the behest of her peers and has the bad luck to be abducted by the Arkera, a neighboring tribe. The Arkera spare her life because they admire her courage (against tradition, she was trained to fight by her grandfather Old Tamlin), and she finds herself forced to join their tribe, although she never gives up dreaming about escaping back to her

home. At last she has the chance to escape, and the rest of the book follows her return to Delagua (and her dawning realization that the world is not quite as simple as she originally believed). I highly recommend this book; although violence and death are certainly a part of this world, they do not dominate the story the way they do in a lot of other fantasy. The world is fascinating, the characters interesting, and the ending highly satisfying. A great read for kids and adults alike.
