GIRL ONLINE ON TOUR RECAP: UNLOCK YOUR FOLLOWING LITERARY EXPERIENCE WITH OUR CONCISE REVIEWS

Shine Bright Puffin

“An elegant, impassioned demand that America see gender-based violence as a cultural and structural problem that hurts everyone, not just victims and survivors... It's at times downright virtuosic in

the threads it weaves together.” — NPR Winner of the 2022 ABA Silver Gavel Award for Books From the woman who gave the landmark testimony against Clarence Thomas as a sexual menace, a new manifesto about the origins and course of gender violence in our society; a combination of memoir, personal accounts, law, and social analysis, and a powerful call to arms from one of our most prominent and poised survivors. In 1991, Anita Hill began something that's still unfinished work. The issues of gender violence, touching on sex, race, age, and

power, are as urgent today as they were when she first testified. Believing is a story of America's three decades long reckoning with gender violence, one that offers insights into its roots, and paths to creating dialogue and substantive change. It is a call to action that offers guidance based on what this brave, committed fighter has learned from a lifetime of advocacy and her search for solutions to a problem that is still tearing America apart. We once thought gender-based violence--from casual harassment to rape and murder--was an individual problem that affected a few; we now know it's cultural and endemic, and happens to our acquaintances, colleagues, friends and family members, and it can be physical, emotional and verbal. Women of color experience sexual harassment at higher rates than White women. Street harassment is ubiquitous and can escalate to violence. Transgender and nonbinary people are particularly vulnerable. Anita Hill draws on her years as a teacher, legal scholar, and advocate, and on the experiences of the thousands of individuals who have told her their stories, to trace the pipeline of behavior that follows individuals from place to place: from home to school to work and back home. In measured, clear, blunt terms, she demonstrates the impact it has on every

aspect of our lives, including our physical and mental wellbeing, housing stability, political participation, economy and community safety, and how our descriptive language undermines progress toward solutions. And she is uncompromising in her demands that our laws and our leaders must address the issue concretely and immediately.

The Magpie Society: One for Sorrow Puffin

The Girl Who Could Dance in Outer Space is the second book in The Girls Who Could Series. It tells the tale of young Mae Jemison, the creative girl who became a doctor, an engineer, a dancer, and an astronaut. Mae Jemison teaches us that art and science are natural expressions

of creativity and imagination. Nurture them both, and go where your dreams take you! The Girls Who Could is a fun, colorful series of stories about real women who have made a difference in the world through inspired action. By giving young girls examples of people who have done big, amazing things, children grow up with a template of achievement upon which to grow and expand their own dreams and goals. Praise for The Girl Who Could Talk to Computers: "Love love love this book! It is perfect for my small niece, who is always building and doing puzzles -- I can't wait for more books from this authors for kids."

"This book is a huge hit at home with at my toy store. Kids love the simple, bright pictures. Grown-ups love the intelligently written rhymes that get across the main message and accomplishments of Grace Hopper's innovative life, without boring or confusing the children. There are sixteen, 4-line stanzas, each accompanied by an illustration. The book is perfect for young kids that are just starting to read, and I really like how it is geared towards inspiring girls, yet the drawings and story is not pink and frilly, so it can just as easily be read to boys, too. The main message of the book is that when you use your head "nothing's impossible, you can do it, you bet!"

Girl Online Simon and Schuster

An intense high-stakes story about five friends and the deadly secret that could send their lives up in flames, perfect for fans of Karen McManus and E. Lockhart. In Gap Mountain, California, everyone knows about fire season. And no one is more vigilant than 18-year-old Hannah Warner, the sheriff's daughter and aspiring FBI agent. That is until this summer. When Hannah and her best friends accidentally spark an enormous and deadly wildfire, their instinct is to lie to the police and the fire investigators. But as the blaze roars through their rural town and towards Yosemite National Park, Hannah's friends begin to crack and she finds

herself going to extreme lengths to protect their secret. Because sometimes good people do bad things. And if there's one thing people hate, it's liars.

Lottie & Walter St. Martin's Press

The first full account of the Slenderman stabbing, a true crime narrative of mental illness, the American judicial system, the trials of adolescence, and the power of the internet On May 31, 2014, in the Milwaukee suburb of Waukesha, Wisconsin, two twelve-year-old girls attempted to stab their classmate to death. Morgan Geysler and Anissa Weier's violence was extreme, but what seemed even more frightening was that they committed their crime under the

influence of a figure born by the internet: the so-called "Slenderman." Yet the even more urgent aspect of the story, that the children involved suffered from undiagnosed mental illnesses, often went overlooked in coverage of the case. *Slenderman: Online Obsession, Mental Illness, and the Violent Crime of Two Midwestern Girls* tells that full story for the first time in deeply researched detail, using court transcripts, police reports, individual reporting, and exclusive interviews. Morgan and Anissa were bound together by their shared love of geeky television shows and animals, and their discovery of the user-uploaded scary stories

on the Creepypasta website could have been nothing more than a brief phase. But Morgan was suffering from early-onset childhood

schizophrenia. She believed that she had seen Slenderman long before discovering him online, and the only way to stop him from killing her family was to bring him a sacrifice: Morgan's best friend Payton "Bella" Leutner, whom Morgan and Anissa planned to stab to death on the night of Morgan's twelfth birthday party. Bella survived the attack, but was deeply traumatized, while Morgan and Anissa were immediately sent to jail, and the severity of their crime meant that they would be prosecuted as adults. There, as Morgan

continued to suffer from worsening mental illness after being denied antipsychotics, her life became more and more surreal. Slenderman is both a page-turning true crime story and a search for justice.

I Am Not My Hair

Celadon Books

"If you're still obsessing over *A Star Is Born* (because, same) you'll love this new romance novel by Erin Hahn." - *Cosmopolitan*

Annie Mathers is America's sweetheart and heir to a country music legacy full of all the things her Gran warned her about. Superstar Clay Coolidge is most definitely going to end up one of those things. But unfortunately for Clay, if he can't convince Annie to join his summer tour, his

music label is going to drop him. That's what happens when your bad boy image turns into bad boy reality. Annie has been avoiding the spotlight after her parents' tragic death, except on her skyrocketing YouTube channel. Clay's label wants to land Annie, and Clay has to make it happen. Swayed by Clay's undeniable charm and good looks, Annie and her band agree to join the tour. From the start fans want them to be more than just tour mates, and Annie and Clay can't help but wonder if the fans are right. But if there's one part of fame Annie wants nothing to do with, it's a high-profile relationship. She had a front row seat to her parents' volatile marriage and isn't

interested in repeating history. If only she could convince her heart that Clay, with his painful past and head over heels inducing tenor, isn't worth the risk. Erin Hahn's thrilling debut, *You'd Be Mine*, asks: can the right song and the perfect summer on the road make two broken hearts whole? "Witty and charming, with an off-the-charts, irresistible blend of romance, humor, and characters who steal your heart from page one. Erin Hahn is an author to watch." - Karen M. McManus, New York Times bestselling author of *One of Us Is Lying*
The Girl at the Baggage Claim Simon and Schuster
"Working On A Song is one of the best books about lyric writing for

the theater I've read."—Lin-Manuel Miranda Anaïs Mitchell named to TIME's List of the 100 Most Influential People in the World of 2020 An illuminating book of lyrics and stories from *Hadestown*—the winner of eight Tony Awards, including Best Musical—from its author, songwriter Anaïs Mitchell with a foreword by Steve Earle On Broadway, this fresh take on the Greek myth of Orpheus and Eurydice has become a modern classic. Heralded as "The best new musical of the season," by The Wall Street Journal, and "Sumptuous. Gorgeous. As good as it gets," by The New York Times, the show was a breakout hit, with its poignant social commentary, and

spellbinding music and lyrics. In this book, Anaïs Mitchell takes readers inside her more than decade's-long process of building the musical from the ground up—detailing her inspiration, breaking down the lyrics, and opening up the process of creation that gave birth to *Hadestown*. Fans and newcomers alike will love this deeply thoughtful, revealing look at how the songs from "the underground" evolved, and became the songs we sing again and again.

COMPREHENDING CHARACTERS IN GIRL ONLINE ON TOUR

Mean Girls Girl Online:
On Tour

Desperate to escape an arranged marriage and the life her high-ranking government official father planned for her, Cat Hunter does the unthinkable. She runs away from her homeland Tellus, disguises herself as a boy, and stows away on an air ship. She's ready for life in a new land where the general population isn't poverty stricken and at the mercy of the cruel officials. What she isn't quite ready for is meeting Fox, a crew member aboard the Stormdancer-which turns out to be a smugglers' ship. So begins an epic adventure that spans both land and sea. This explosive debut starts a unique six-book series. Each novel will be set in a different land within the Tellus

world, with repeating characters and related, nonlinear storylines that combine to create a one-of-a-kind, addictive reading experience.

Working on a Song
Delacorte Press

Lottie secretly knows there is a shark in the pool waiting to eat her, until her new walrus friend, Walter, helps her to conquer her fear.

She Gets the Girl
Simon and Schuster

INCLUDES NEVER-BEFORE-SHARED PROJECTS, RECIPES AND INSPIRATION, ALONG WITH STUNNING NEW PHOTOGRAPHY For as long as Zoe Sugg can remember she has loved welcoming friends & family into her home, whether it's to celebrate someone

else's big day or just being with friends, there is nothing she enjoys more than putting her energy into making any occasion special. In Zoe's eyes the best thing about getting people together is there really is no right or wrong way: maybe you want to plan a throw-everything-at-it shindig, or simply make a special effort for one guest. Mostly it's about how people feel when they're in your company. How the smallest of gatherings can feel momentous, and the biggest of parties can feel intimate. Over the years Zoe has shared glimpses of this side to her in her videos, with millions of viewers taking daily inspiration from her life. In *Cordially Invited* she

shares her best and never seen before ideas in print. Divided into seasons, and woven through with Zoe's own stories and memories, this book reveals her favorite events - big or small - throughout the year and how to celebrate them in style. From practical ideas for how to feed your guests and hacks for unexpected get-togethers to simple but impressive DIYs and those personal touches people will remember, *Cordially Invited* is Zoe's blueprint for making an event and a memory out of each day.

Believing Roaring Brook Press

BOOK 1 IN THE USERNAME SERIES BY JOE SUGG Like anyone who feels as though they just don't fit in,

Evie dreams of a place of safety. When times are tough, all she wants is a chance to escape from reality and be herself. Despite his failing health, Evie's father comes close to creating such a virtual idyll. Passing away before it's finished, he leaves her the key in the form of an app, and Evie finds herself transported to a world where the population is influenced by her personality. Everyone shines in her presence, until her devious cousin, Mallory, discovers the app... and the power to cause trouble in paradise.

WOLFPACK Penguin

One paper plane flies straight and fast and true. Dylan's. Twelve-year-old Dylan Webber lives in outback Western Australia in a small country town.

When he discovers he has a talent for folding and flying paper planes, Dylan begins a journey to reach the World Junior Paper Plane Championships in Japan. Along the way he makes unlikely new friends, clashes with powerful rivals and comes to terms with his family's past before facing his greatest challenge - to create a paper plane that will compete with the best in the world. Steve Worland brings you the exciting, heartwarming story of Paper Planes, adapted from the award-winning family film that features a cast of Australia's finest actors, including Sam Worthington, Deborah Mailman, David Wenham and Ed Oxenbould.

The Girl Who Could Dance in Outer Space -

*An Inspirational Tale
About Mae Jemison*
Little, Brown Books for
Young Readers

THE NEW YORK TIMES
BESTSELLER Teen
dance prodigy,
breakout Dance Moms
star, and judge on So

Each rocker has a piece of my heart."—Night Owl Reviews, 5 Stars, Reviewer Top Pick

She Is Not Invisible
Wednesday Books

A provocative and important study of the different ideas Easterners and Westerners have about

the self and society and what this means for current debates in art, education, geopolitics, and business. Never have East and West come as close as they are today, yet we are still baffled by one another. Is our mantra "To thine own self be true"? Or do we believe we belong to something larger than ourselves--a family, a religion, a troop--that claims our first allegiance? Gish Jen--drawing on a treasure trove of stories and personal anecdotes, as well as cutting-edge research in cultural psychology--reveals how this difference shapes what we perceive and remember, what we say and do and make--how it shapes everything from our ideas about copying

and talking in class to the difference between Apple and Alibaba. As engaging as it is illuminating, this is a book that stands to profoundly enrich our understanding of ourselves and of our world.

Username: Evie Sourcebooks, Inc.

Is your tween prepared for what's ahead? It used to be that middle school was the time to talk to kids about topics like modesty and body image. Unfortunately, the at-risk demographic for distorted views on the body is now girls ages 8-10. Fortunately, Dannah Gresh has provided a resource for this need. True Girl is geared to helping tween girls understand their dignity in Christ. It features a creative self-help text format

that includes sidebars, quizzes, games, exploded quotes, and graphics to help them absorb the message. Here's what author Dannah Gresh has to say about the motivation behind the book: "My past fifteen years of studying at-risk teen and tween behavior has over and over again led me to good news: girls who are exposed to an age-appropriate, Bible-based understanding of beauty and fashion between the ages of 8-12 tend to be less likely to engage in early sexual activity or have body image issues. They are also more likely to have healthy friendships, excel academically, and become positive social contributors in their communities, all while expressing their

beauty and value appropriately. "It's not rocket science. It is social science paired with a whole lot of prayer and Bible study. We can change what tween girls see when they look in the mirror by changing what's inside their hearts." This is the heart behind *True Girl*: a desire to teach tween girls how valuable they are and how to honor their God-given dignity. Ultimately, it's about grounding girls in their identity in Christ so the tumultuous teen years don't uproot them. This book pairs with *True Girl Mom-Daughter Devos*, allowing moms a helpful resource for walking through this formative time with their tween girl.

Paper Planes Harper Collins

Most dating books tell

you what NOT to do. Here's a book dedicated to telling you what you CAN do. In his book, *Get the Guy*, Matthew Hussey—relationship expert, matchmaker, and star of the reality show *Ready for Love*—reveals the secrets of the male mind and the fundamentals of dating and mating for a proven, revolutionary approach to help women to find lasting love. Matthew Hussey has coached thousands of high-powered CEOs, showing them how to develop confidence and build relationships that translate into professional success. Many of Matthew's male clients pressed him for advice on how to apply his winning strategies not to just get the job, but how to

get the girl. As his reputation grew, Hussey was approached by more and more women, eager to hear what he had learned about the male perspective on love and romance. From landing a first date to establishing emotional intimacy, playful flirtation to red-hot bedroom tips, Matthew's insightfulness, irreverence, and warmth makes *Get the Guy: Learn Secrets of the Male Mind to Find the Man You Want and the Love You Deserve* a one-of-a-kind relationship guide and the handbook for every woman who wants to get the guy she's been waiting for.

REVIEW OF GIRL ONLINE ON TOUR

- At the risk of sounding overly dramatic, I will simply say that as a type 1 diabetic the advice in this book has improved my condition immeasurably. After 8 months of following its low carbohydrate guidelines my A1C has dropped from 8.7 to an all-time low of 6.4 and

my daily insulin dosage has decreased by almost 40% (both long-acting and fast-acting). I finally feel a measure of control over the disease and am slowly getting some respite from the constant frustration that unpredictable fluctuations in blood glucose measurements inevitably induce. I must add that I have not even been following the program very rigorously and have chosen to pass on some of its more drastic aspects (to me). I do admit that losing most of my carb-heavy comfort foods was difficult at first (and occasionally still is) but the payoff is really so staggering that I believe every diabetic should be exposed to this information as part of

their healthcare education and shouldn't have to buy a book in order to obtain it.

- My four year old liked this book. Not a ton of action so he only wanted to read it a few times but it was a

great introduction to death when our dog died. It doesn't talk about heaven or anything religious - just a matter of fact book about how everything living dies and it's a part of how the world works.
