With this info, you are ready to start interesting literary journeys through the simple act of downloading and install The Four Agreements. Happy reading!

REVIEW OF THE FOUR AGREEMENTS

- I give this book 4 stars for taking on the topic but agree with other reviewers who find it disappointing ... perhaps because one gets one's hopes up to read a title like this, "the story of the King James Bible". McGrath has done some thorough research (it is his profession) and introduces some interesting data from the past but he is unable to weave his story together in a way that conveys with power, passion and enthusiasm what was one of the most stunning events in Anglo/American history. I think this book suffers in great part from lack of good editorship. I give it 4 stars for subject matter and being a unique attempt to explore and present in laymen's terms information about this spectacular creation, second only to Shakespeare for those of us who love the English language! -- but I give it a 2-1/2 for the rest.

- The contents of this book were very informative and provided a better understanding on how and why some people have digestive disorders. Trying to break down all of the recommendations on food items and supplements is confusing. Trying to purchase some of these items in a standard grocery store when everything must be cultured, fermented, grain fed..etc... is not practical
