REVIEW OF AZAR FUNDAMENTALS OF ENGLISH GRAMMAR 4TH EDITION

- This two-part novel is written by a holocaust survivor and later psychologist of logotherapy. Frankl asserts as men, it is not our responsibility to understand fully the meaning of the world, or even to endure the meaningless of life; rather, as humans we must only bear the incapacity to grasp total meaning. Further, every trial encountered is an opportunity to show your character, and hence to assign meaning to your life.

- This book was not half as detailed as "An hour before daylight," which I thought was great! Daylight also has photographs, this one does not, and the artwork in this is uninspired (sorry Amy). I just didn't find enough Christmas feeling in this book to suit me. I would recommend redoing this one, enlarging it to include Rosalyn's perspective with photographs. Maybe some input from more members of the family. And I would like to see some enthusiasm, excitement and humor in Amy's art.
