REVIEW OF CREATE YOUR OWN PHOTO BLOG BY CATHERINE JAMIESON

- I'm surprised at the spate of negative reviews. It wasn't the greatest book ever, and I certainly don't agree with what it says on the jacket about McCullers being "the most enduring of all the Southern writers" but the book has a lot of really great insight and it was obviously meant to be have a low key, lazy pace, aimless....just like the South itself. I admire the style, I especially appreciated how, eventhough it was all written from a third person limited omniscient perspective, that the voice of the writing subtly changed to suit the clip of the character in the chapter. Not just any writer can do that.

- The beauty of Carson McCullers' first novel is it honestly depicts the deep south of her time. It shows both the romantic aspects and the ugliness (racism, in particular), while telling the stories of a group of memorable characters, centered around a gentle deaf-mute at a boardinghouse. McCullers finds a middle-ground, giving us the flavor of this small southern town, both sweet and sour. This book is one of my favorites of all time.
