REVIEW OF COLLINS VOCABULARY AND GRAMMAR FOR THE TOEFL TEST PDF

- Helter Skelter is the best book I've ever read. Written by the prosecutor himself, this book gives a very in-depth summary of the entire Manson "Family" story. **Also includes lots of legal info., especially CA state law, for those intrested.
- I had no idea the Manson family was so much more widespread than the one murder everyone hears about. Mr. Bugliosi does a great job presenting the history and breaking down the various individuals involved. A really riveting and informative read. Would definitely recommend this book.
