"Cleverly blending the real and imagined worlds until the reader can't differentiate the two, Knox has created a twisty, turny thriller that cuts through the heart of the modern true crime fascination, all while keeping us enraptured by it."—BuzzFeed THE #1 INTERNATIONAL BESTSELLER! What happens to all the girls who go missing? The thrilling story of a university student's sudden disappearance, the woman who became obsessed with her case, and the crime writer who uncovered the chilling truth about what happened... In 2011, Zoe Nolan walked out of her dormitory in Manchester and was never seen or heard from again. Her case went cold. Her story was sad, certainly, but hardly sensational, crime writer Joseph Knox thought. He wouldn't have given her any more thought were it not for his friend, Evelyn Mitchell. Another writer struggling to come up with a new idea, Evelyn was wondering just what happens to all the girls who go missing. What happens to the Zoe Nolans of the world? Evelyn began investigating herself, interviewing Zoe's family and friends, and emailing Joseph with chapters of the book she was writing with her findings. Uneasy with the corkscrew twists and turns, Joseph Knox embedded himself in the case, ultimately discovering a truth more tragic and shocking than he could have possibly imagined... Just remember: Everything you read is fiction. Praise for *True Crime Story*: "Stunningly unique...For fans of stories with a little something extra, this book is set up like an oral history, complete with emails, newspaper clippings and photos that propel the story all the way to a shocking and satisfying conclusion." —Newsweek "Mr. Knox is a fantastic writer. His ambitious fourth novel satirises and celebrates the true-crime genre with glee. *True Crime Story*, by turns horrific and hilarious, is scandalously entertaining." —The Times (UK) "The gifted Joseph Knox continues his upwards trajectory with *True Crime Story* forging something original and innovative." —Financial Times (UK) "This is one of the most engaging cold-case novels I have read." —Literary Review (UK)

A quick word of warning. The true crime short stories within this book are unimaginably gruesome. Most news stories, television crime shows and true crime documentaries tend to leave out the most horrible details about murder cases simply because they are too extreme for the general public.

The Best New True Crime Stories: Small Towns KC Publishing

NEW YORK TIMES BESTSELLER • This "superbly written true-crime story" (The New York Times Book Review) masterfully brings together the tales of a serial killer in 1970s Alabama and of Harper Lee, the beloved author of *To Kill a Mockingbird*, who tried to write his story. Reverend Willie Maxwell was a rural preacher accused of murdering five of his family members, but with the help of a savvy lawyer, he escaped justice for years until a relative assassinated him at the funeral of his last victim. Despite hundreds of witnesses, Maxwell's murderer was acquitted—thanks to the same attorney who had previously defended the reverend himself. Sitting in the audience during the vigilante's trial was Harper Lee, who spent a year in town reporting on the Maxwell case and many more trying to finish the book she called *The Reverend*. Cep brings this remarkable story to life, from the horrifying murders to the courtroom drama to the racial politics of the Deep South, while offering a deeply moving portrait of one of our most revered writers.

True crime writer Heather Kilbride arrives in the seacoast town of Inversgail, Scotland, to research a recent murder for her new book. But if that's true, why does she seem more interested in William Clark, a shadowy lawyer with no connection to the murder? Heather's unconventional research methods prove deadly when Janet discovers her lifeless body. Except the "body" turns out to be a dummy dressed-up to look like Heather. **The Greatest True Crime Stories Ever Told** Simon and Schuster

NEW YORK TIMES BESTSELLER • From the author of *Empire of Pain*—a stunning, intricate narrative about a notorious killing in Northern Ireland and its devastating repercussions “Masked intruders dragged Jean McConville, a 38-year-old widow and mother of 10, from her Belfast home in 1972. In this meticulously reported book—as finely paced as a novel—Keefe uses McConville’s murder as a prism to tell the history of the Troubles in Northern Ireland. Interviewing people on both sides of the conflict, he transforms the tragic damage and waste of the era into a searing, utterly gripping saga.” —New York Times Book Review Jean McConville’s abduction was one of the most notorious episodes of the vicious conflict known as The Troubles. Everyone in the neighborhood knew the I.R.A. was responsible. But in a climate of fear and paranoia, no one would speak of it. In 2003, five years after an accord brought an uneasy peace to Northern Ireland, a set of human bones was discovered on a beach. McConville’s children knew it was their mother when they were told a blue safety pin was attached to the dress—with so many kids, she had always kept it handy for diapers or ripped clothes. Patrick Radden Keefe’s mesmerizing book on the bitter conflict in Northern Ireland and its aftermath uses the McConville case as a starting point for the tale of a society wracked by a violent guerrilla war, a war whose consequences have never been reckoned with. The brutal violence seared not only people like the McConville children, but also I.R.A. members embittered by a peace that fell far short of the goal of a united Ireland, and left them wondering whether the killings they committed were not justified acts of war, but simple murders. From radical and impetuous I.R.A. terrorists such as Dolours Price, who, when she

was barely out of her teens, was already planting bombs in London and targeting informers for execution, to the ferocious I.R.A. mastermind known as The Dark, to the spy games and dirty schemes of the British Army, to Gerry Adams, who negotiated the peace but betrayed his hardcore comrades by denying his I.R.A. past—*Say Nothing* conjures a world of passion, betrayal, vengeance, and anguish. 12 True Crime Stories of Murder & Mayhem Sixth Book of the True Crime Case Histories Series (2021) As with the previous volumes of True Crime Case Histories, I use this introduction space as a quick word of warning. The stories in this book represent humanity at its absolute worst. Pure evil. Television crime shows and news articles often skip the messy parts of true crime stories. The details are just too much for the average viewer or reader. In my books, however, I don't leave out the details. I go through hours of research for each story. I search through old newspaper articles, court documents, first-hand descriptions, and autopsy reports. In my books I include details not to shock, but to give the reader a deeper look into the twisted mind of the killer. In the end, it's unlikely any of us will understand the motive of the criminals in these books, but the level of depravity will at least keep you turning pages. That being said, if you are overly squeamish with the details of true crime, this book may not be for you. If you're okay with it... then let's proceed. Volume 6 features: longer stories, more photos, a bonus chapter, and an online appendix with additional photos, videos, and documents. Volume 6 of True Crime Case Histories features twelve new stories from the past several decades. A sampling of the stories include: In this book there's the story of a young English man that had plans to become the UK's most notorious serial killer, but couldn't keep his mouth shut after his first kill and bragged to over twenty of his friends. Another story covers a group of four young men who believed they could do anything they wanted because their lord Satan protected them. Satan apparently couldn't protect them from prison. There's the story of a San Diego man who made it his life's mission to help young men avoid a life of crime. His good deeds resulted in his entire family being butchered by a boy he was trying to help. Another killer, a father of eight children, lured women to his boat, raped them, and threw them overboard. Ingenious forensic science was eventually used to catch the killer. One story of a young man that couldn't handle being rejected by his teenage girlfriend was suggested to me by a reader whose daughter had a close-call with the killer. Plus many more disturbing stories. The twelve stories in this volume are shocking and disturbing, but they're true. These things really happen in the world. We may never understand why killers do what they do, but at least we can be better informed. You may have heard of a few of the stories in this volume, but there are several I'm almost certain you haven't. Scroll up to get your copy

There are killers who stalk their prey, learning all they can about an intended target before striking. Some commit the act of murder out of hatred or revenge for someone in their lives. Killers

like Detlev Guenzel searched for like-minded souls who would allow them to indulge in their deepest darkest fantasies. Then of course, there are those who brutally murder for no apparent reason whatsoever. Each of the four true crime murder cases in this true crime anthology are all different from each other in many ways. The wife who was cast aside for a much younger model; the vore who sought out a willing participant in the act of consensual homicide and cannibalism; the young man who butchered his elderly neighbours; and the man whose partners either disappeared or turned up dead over the period of 54 years. For these true crime murder stories we delve into the background of each killer, the acts they committed, and the criminal investigation that brought them down. We look at why they killed, even when there seems to be no apparent motive. True murder cases like these are hard to fathom, and will leave you wondering about the horrors of humanity. True crime stories are the most frightening of all, as you discover what people have the capability of doing to others. This is a prequel to Jack Rosewood's best true crime books series, True Crime Stories.
