REVIEW OF CHAPTER 4 SECTION 1 FEDERALISM THE DIVISION OF POWER

- I was an amazing experience to have Dr. Wilson as a professor. His book Our Father Abraham revealed parts of my faith that I had never understood or had only half experienced. A must read!
- Its hard to describe just how eye opening this book is. It covers so many historical events that the church would not dare mention today and helps to understand

the absolute tension between Jew and Christians today. It answers foundational questions I had (like why we went from the Sabbath to the Lord's Day) and so many other things you would think every Christian would be taught early and often. At times I wanted to cry over the history and the things uncovered in this book (with plenty of references for further study). If some parts of your church experience made you kind of scratch your head because they were so out of line with the Old and even New Testament - this book is for you. But be

cautioned - its not for a new believer. This is definitely a "meat" and not "milk" type of book and one must be strong in their faith. Not because it tries to take you away from Christianity (it doesn't at all) or try to bind you with legalism (again, it doesn't at all) its just reading about things like the intentional changing of names (people in the Bible, names of books in the Bible, etc.) that you don't want to start to chew on too early in your walk. A really really good book though, especially if you want a good historical basis for your Christian walk.
