So why wait? Start exploring our PDF library today and download and install The Algebraist wonderful read. We ensure you will not regret it!

Thanks for picking our system for your PDF downloads. We expect offering you with superb service and varied alternatives for many years to find.

REVIEW OF THE ALGEBRAIST

- The Autobiography of My Mother is not an autobiography at all, and it is not even solely about a mother. It is actually a novel about a woman whose mother died when she was being born. This first life event, which is also the first event the narrator tells the reader about in the story, is a powerful force that shapes the narrator's life. Not only does narrator (Xuela) not have a mother, but she feels that she does not actually have a country, a homeland. She lives on the island of Antigua, which is only twelve miles long and nine miles long. The culture of her people was stolen by their English colonizers, and the only culture they now know is that of England. In my opinion, there are times in the book when the narrator is self-pitying and repetitive. I do think, however, that this is in keeping with her character. The book is written as if Xuela is sitting down with the reader and telling him or her her life story, and Xuela would definitely be a character who would repeat and overemphasize the bad parts just so the person listening would get the point. I also found fault with the narrator because she was very hypocritical. She criticized her father's actions and attitude about life, but then she acted in similar ways and had a similar attitude. The one positive aspect about the main character is that she is a very strong woman who is not afraid to deviate from her society's acceptable ways of behaving. I was surprised that I liked this book so much when I did not like the narrator. I think it is because Kincaid had such an integrity when it came to writing about the main

character. She presented all aspects, positive and negative, and didn't only show her in a good light. All aspiring authors can learn a lesson in characterization from reading this book. Kincaid's writing style is very seductive. It pulls you in and makes you not want to get away. I read this book in two long settings because I didn't want to put it down. She has a powerful way of describing people, places, and situations. Her prose is lyrical and truthful - after reading a passage, I wanted to sit back and think about it for awhile, because there was so much truth and beauty to be found in it. This is the first book I have read by Jamaica Kincaid. I am presently reading "A Small Place", and hope to read the rest of her books in the future. I would recommend this book to anyone, but especially to writers who are interested in reading very high quality writing with strong characterization and powerful description.

- I LOVED THE MOVIE BASED ON THIS BOOK SO I DECIDED TO BUY & READ THE BOOK FOR MYSELF. I THOUGHT I WOULD READ IT WHEN I WAS UP ALONE LATE ONE NIGHT AFTER MY HUSBAND HAD GONE TO BED. THAT WAS NOT SUCH A GOOD IDEA! THE BOOK SCARED ME MORE THAN THE MOVIE DID! I AM NOT SAYING THAT I ACCEPT EVERYTHING IN THIS BOOK AS PURE FACT, BUT I DO BELIEVE IN THE SUPERNATURAL AND IT CAN BE VERY, VERY SCARY. AT ANY RATE, WHETHER THIS BOOK IS TRUE OR NOT IT IS VERY INTERESTING & A VERY GOOD & EASY READ. I JUST DON'T RECOMMEND THAT YOU READ IT WHEN YOU'RE UP ALONE LATE AT NIGHT. IT MIGHT JUST GIVE YOU THE CREEPS LIKE IT DID ME. I WAS SPOOKED FOR THE REST OF THE NIGHT AND PART OF THE NEXT DAY! THE EVENTS IN THIS BOOK ARE VERY BIZARRE & CREEPY!!!!!! (JUST A FAIR WARNING!!!!) BUT LIKE I SAID IT WAS A VERY GOOD READ. 5 STARS.
