REVIEW OF MAPLE 12 GUIDE

- I have read this book over and over! It

is a wonderful novel on the human condition. It gives hope to any who desires to rise above their station in life. Bronte does a wonderful job depicting each and every one of her characters. The happy ending though somewhat unrealistic is very heart felt. It makes me want to be a better, smarter, more pure person each time I read it. I strongly recommend this to everyone. It keeps your attention and is always an inspiration.

- Jane Eyre is a novel that captures the reader. It is about a young girl who

experiences the hardships of everyday life. Living as an orphan she is driven to become successful and fall in love. She becomes a young writer and often expresses her feelings and thoughts through her writing. As a young teenager I can easily relate to a lot of how she feels. I felt comfort in reading this novel because I am not the only person going through a lot of changes in my life. I recommend this novel to a lot of young readers and especially young teenage girls. Jane Eyre contains a point of view that captivates the reading.
