REVIEW OF BRAVO TWO ZERO THE TRUE STORY OF AN SAS PATROL BEHIND ENEMY LINES IN IRAQ

- One Hundred Years of Solitude by Gabriel Garcia Marquez is the

type of book that once you finish reading, you will want to buy a copy for everyone you know. This tremendous novel is so pressed with humanity that you will suspect that every person you know will be able to relate to some aspect of it. One Hundred Years of Solitude is the story of the Buendia family, a dynasty that inhabits the mythical village of Macondo for ten decades until the last of their line breathes his last breath. The cast of characters continually changes as new Buendias are born, grow up and die. Mr. Marquez invents a singular, mystical air for each of his characters, charging each of their tales with enchantment, wonderment and meaning. In the span of their existences, some of the family seek love, others solitude; some serenity, others uprising; some industry, others intimacy. Regardless of his or her

life's pursuit, each member of this family is absolutely unforgettable and very easy to sympathize with. Some novels incorporate a tremendous range of the uniformly important aspects of life. This is certainly one of them.

- This novel is by far the most important novel written in the XXth century... Don't let anyone fool you.. It's not Ulysses by James Joyce, this stuff is READABLE!!!!If you can read it in Spanish don't miss it... This novel created magical realism, a concept that might seem foreign to many "American" readers, but it's quite real to us Colombians..Two pointers on reading this book:1)Don't keep track of the Names!!! It's pointless...2)You can start reading the book on any page...If you like Allende and would like to know where she got ALL her ideas.
