REVIEW OF TCU GUIDE BOOK DOWNLOAD

- i was reading the inside flaps of the summary of the book, and the words, "retrieve hidden evidence" and "carry out a mission" made the book sound pretty exciting. but i am so wrong. the book rushed at the ending , was slow, and was pretty bad. although i think

unnatural exposures was the worst book, this was pretty bad too.

- I own both of the High Fit - Low Fat cookbooks (regular and vegetarian). The books are good for both novice and experienced chefs. Using these cookbooks, I have learned how to eat incredibly healthy while serving really

tasty meals! The eggplant parmesan recipe (Vegetarian cookbook) is now a requirement for potlucks I attend. I love it because it is so easy to make. The cookbooks make great gifts too (I bought 10 as gifts for family members)! Although I own many cookbooks, I do the majority of my cooking from the High Fit - Low Fat recipes.
