## REVIEW OF PARTITURA VICENTE AMIGO

- AWESOME...my favorite author and my favorite performers...EXCELLENT!...all the these audio books by Robert Jordan have brought me hours & hours of enjoyment...I listen to them over & over again as there is always something more to learn.

- I am a huge Lord of the Rings fan. I tried book 1 of the Wheel of Time series on recommendations from co-workers. It was an excellent book, drew me right in. I had to try book 2 as well, this one. I was disappointed that it featured basically the same characters as book 1, re-fighting the same overall war, after book 1 made it seem that the war had already been won. But this book is great. Now I have to buy a few more in the series. My favorite part of this book is the part near the end, featuring Egwene and her friends. You'll see what I mean when you get to it. You'd think my favorite part would be the heavyweight title fight (again) between Rand and Mr. Bad Guy, but nope, I like the Egwene and Friends part the best. Enjoy. This is a great book.
