REVIEW OF DUCATI 907 I E SERVICE REPAIR

- "The Screwtape Letters" is one of the more bizzare and popular books in C.S. Lewis' long list of literary accomplishments, but for those of you who don't know the book's premise, it's a simple one. A demon experienced in the art of temptation who calls himself Screwtape corresponds with his up and coming nephew, an apprentice minion named Wormwood. If this sounds a bit strange to some of you folks, rest assured, it is. But don't give up just yet. Lewis puts together a quick and witty story of the fragile human will and the devils who seek to destroy us. He mentions

temptations of sex, of vanity, of money, and pride to name just a few. The book also gives insight into the motivation of hell's corruptors. Fear. A simple and effective tool used by who the reader naturally assumes is Lucifer (he's mentioned by Screwtape as "Our Father" and there's reference to the conflict between him and God a.k.a "The Enemy") as an encouragement or motivation for each demon to work. There are no failures of corruption allowed. Ever. I guess the best way to describe this book would be as a "tap on your moral shoulder." Lewis believes that the world is destroying itself (there's no coincidence in the book's print timing - during the second World War) and that a slip in conscience warrants the blame. He goes out of his way to warn readers against selfish and superficial acts, and expertly weaves in an entertaining collection of narratives along the way.

- This is a very thought provoking book that serves its purpose. The book concerns the demonic world and its attempts to destroy the life of a man by getting him distracted from the things of God. The book is not strictly Biblical in that it takes some imaginary and poetic license to speculate on what happens in the spirit realm. I thought the book was very readable and helps people understand that the daily things we go through in human existence may have much bigger implications. I was edified by this book.
