REVIEW OF RECORDING UNHINGED CREATIVE AND UNCONVENTIONAL MUSIC RECORDING TECHNIQUES BK ONLINE MEDIA MUSIC PRO GUIDES

- This book is a very interesting one. The book describes how a young basketball star goes through his career from 8th grade to senior year in high school. The book shows Lebron's struggles and

accomplishments. It explains major deals with shoe companies. The book gives highlights from his most hyped high school games. The book shows all aspects of how Lebron made everyone believe the hype. Overall it was a good book and it is for anyone who loves reading about sports and athletes accomplishments.

- The text is the same as ever (I think), but the plates are markedly inferior to all previous editions. Had I known this ahead of time, I would not have purchased this volume.
