REVIEW OF THEY LEFT GREAT MARKS ON ME AFRICAN AMERICAN TESTIMONIES OF RACIAL VIOLENCE FROM EMANCIPATION TO WORLD WAR I

- This is an excellent book that refutes so many misconstrued theories that are floating out there. I wish they required all highschool students to read this as this one book would serve them many times better than dissecting a frog. Once you read this you will never look at the world and hear a news report on the economy the same.
- The book is good for the person that hasn't studied economics. It reflects the libertarian philosophy of low taxes and self sufficiency.
