### **REVIEW OF BOBCAT 773 SERVICE MANUAL DOWNLOAD**

- This book is extraordinary. I started reading it expecting it to be boring. After the first eight pages, I was reading it every free second I got. I can guarantee that anyone will love this book.

- I just bought the book to be a fill in while I wait for other books to come out so I could read them. I had no idea then that it would be as good as it was. I now have another series to look forward to reading! I have to say it rates as one of my favorites! I loved it!! All I have to say is it was a little confusing in parts but other than that no part of it was boring it keeps you wanting to read more! I'm going to pick up the second book Cast in Court Light here soon and I'm keeping my fingers crossed that it will be just as good.
