## **REVIEW OF DIPLOMA POWER ENGINEERING CV FORMAT**

• The GiverBy: Lois LowryReviewed by: E. LeePeriod: 5In this book, Jonas, the main character, lives in a perfect world. Here, all the people are assigned jobs and there isn't any war or pain. As time goes by, Jonas becomes a Twelve and receives an assignment. As easy it may seem, Jonas becomes encouraged for it is a big change that is going to appear. Now as a Twelve, everyone is counting on him for he receives a special assignment. Jonas receives the assignment of being the next Receiver of Memory.The reason why I like this book, The Giver, is that it showed the same experience as what I went through. In this book, Jonas goes through a stage where he receives a job that he has to complete. ; Jonas was identified as a possible Receiver many years ago. We have observed him meticulously. There were no dreams of uncertainty.; This reminds me of all the things I had to do as I reached a certain age. Every time I read this book, it showed me that even though you receive a job, you should always try to accomplish it without a complaint. In other words, this book showed me of all the burdens that might pull you down, but you should always try to do your best to release the burden. For that, The Giver was a book I was fond by.Another reason The Giver was

my favorite book is where this book took place. Here in the world where Jonas lives, the people can't feel pain. Jonas's world is perfect. Everything is under control. There is no war or fear or pain. Also, the world is peaceful without a war to be insight. Comparing this world to the world we live in, there is a big difference. In our world, wars and pain are all felt by the citizens while in Jonas's world, they don't. It always seemed to come into my mind the fact that our world can't be in peace while Jonas's can. For this, I desire to live a world in peace and somewhere without pain. My favorite part would have to be when Jonas's friend, Asher, called

snacks; smacks; when he was in his Threes. Long ago, Asher wanted a snack for he was hungry. When he went to the Chief Elder, he asked, Can I have some snacks? After that, all the other Threes started laughing and told Asher that it was snacks; not smacks;. This was my favorite part because when Asher said smacks;, I thought he wanted a slap. This was my favorite part for it provided a sense of humor as the book continued.

- I read this book in jr. High and it always stuck with me. So yeah I bought it again and enjoyed it. Just wish there was a part 2. Still great for the imagination.
