## **TECHNIQUES FOR THE ASPIRING DESIGNER QUARTO BOOK**

- This is my 3rd copy of this book! This book has been around for years! It is the bible for people like me that have a great interest in astrology! Well written; well researched! Book arrived on time

and great condition! Customer service with Amazon.com is the best! No complaints!

- Seduction By the Stars is a must read, married or single. Its explicit detail is quite revealing. Maybe a little shocking at first read. It may surprise you with what you get from it. I suggest if your a prude skip this one.
