REVIEW OF COMMUNICATION BUILDING CRITICAL SKILLS 6TH EDITION

- I think that any book that can make you truly long to be back in a place that you miss with all your heart is the mark of a true classic. "Up in the Old Hotel" does just that. Included here are stories of bearded ladies, clammers, eccentrics, American Indians and many of the other people residing in the most wonderful city in the whole country. That of New York City. Their lives are brought out and put into writing by Joseph Mitchell, formerly a reporter for the New Yorker magazine. He gives these people such dignity and grace, that they almost transcend their

oftentimes sparse existence. Every story is a masterpiece. There are about 25 non-fiction accounts, and 6 fiction, but the characters of the non-fiction tales are just that. Characters. The line between fiction and non blurs due to the incredible detail and persona of these wild and charming residents of the metropolis they call home. I don't anymore, but I used to live in New York myself. This book was more than enough for me to realize that I have to move back there as soon as I can. I would feel very proud to have the people Joseph Mitchell displays as my neighbors. I feel like I already know them.

- This book was recommended by a friend, haven't read it yet, but it was so cheap, how can I go wrong?
