### **REVIEW OF FRANKENSTEIN AP STYLE QUESTIONS AND ANSWERS**

- I read this book many years ago and fell in love with it. I just found it again and re-read it- yep, still love it! I don't really agree with the last review about the "rape" scene. It's a fictional book and I took it as that- fictional. It was an important part of the plot, although it may be disturbing to some, you soon forget about it as Constance weaves her magical spell. I felt transported back in time with Brianne and almost wished it were true. I hated that the book ended, and the ending was fabulous! I wish there was a part two and I could continue reading about Brianne and Ryan's life. Not to be, but at least I have this copy and I can pull it out every few years and get swept back in time once again and try to pretend I don't know how the story will turn out. I love this book and highly recommend it to all those who enjoy an easy read that will make your heart flutter and your cheeks flush!

- It wasn't a great book by any means. Simple writing style where the author felt he needed to tell us that he knows a lot, instead of limiting his knowledge to pertinent plot points. Also, the religious aspect of it is contrived and heavy-handed.
