REVIEW OF INTERMEDIATE ACCOUNTING CHAPTER 13 SOLUTIONS

- The best Parker I've read in ages, tho even his lesser books are great fun. Sunny is sharp, wise, funny, tough - the writing sings, and the character descriptions made me laugh. I'd rank this right up there with the best Spenser (Early Autumn, Looking for Rachel Wallace). Parker is back in touch with his twinkle, and his love of women -and at the peak of his form. Best in genre I've read in years.

- The book In the Balance is a very good book about World War II, it is based on the fact that Hitler, and all the other leaders of the world at that time are uniting to conquer Aliens. The aliens are from a world called "Tosev 3" and they are very scaly and inhumanlike, which is why their nickname is "Lizards". There are some people who have spaceships and they are in space orbiting around Tosev 3 trying to destroy the planet.
