#### **REVIEW OF 100 CASE STUDIES IN PATHOPHYSIOLOGY ANSWER KEY PDF**

- This book was an excellent read however if you're as big of a cat lover as I am, then you may have some trouble getting through the parts where cats get killed, and they describe it. I understand that the story isn't real. however, it is, because it depicts how REAL feral cats live; Fighting for food, shelter, and territory just to survive. Also, if you've ever heard a real outdoor cat fight, it's awful, and getting the image of them fighting in the book, recalling how horrid catfights sound, can break your heart (not to mention your eardrums). but besides my soft spot as far as fighting animals and them being hurt goes, the book was indeed EXCELLENT and now I'm going to read book 2 to find out what happens! What also made it good were all the little "twists" and "turns" in the book. All kinds of things you'd never expect! :) I also want to find out how Ravenpaw is doing!

- Young Rusty, a housecat kitten (kittypet) is offered a place in one of the four Clans that live in the forest in front of his home. His leader, Bluestar, changes his name to Firepaw. As he struggles with all the teasing he gets because he's a kittypet, Firepaw finds a great secret that continues through the next books. The series goes: 1. Into the Wild, 2. Fire and Ice, 3. Forest of Secrets, 4. Rising Storm, 5. A Dangerous Path, and my personal favorite, 6. Darkest Hour. There is a second series that is called The New Prophecy. Enjoy! =^..^=
